Re: **DBE CERTIFICATION NOTICE**

Dear Mr. Beg:

The Metropolitan Transportation Authority (MTA), a Certifying Partner in the New York State Unified Certification Program (NYSUCP), is pleased to inform you that your firm meets the eligibility criteria established by the U.S. Department of Transportation Disadvantaged Business Enterprises regulation, codified at 49 CFR, Part 26, and has been **CERTIFIED** as a Disadvantaged Business Enterprise (DBE) with the NYSUCP. Your firm is certified to provide the products and/or services listed below:

### **FORENSIC ENGINEERING SERVICES**

Your firm is eligible to participate as a DBE on MTA, New York State Department of Transportation, Port Authority of New York and New Jersey and Niagara Frontier Transportation Authority federally assisted projects in the identified service areas.

Your firm's certification status with the NYSUCP will remain effective for as long as your firm continues to meet all DBE certification eligibility requirements and the ownership and control of the firm, upon which DBE certification was granted, has not changed. However, you are required to submit, annually, on the anniversary date of this notice, a sworn affidavit affirming that there have been no changes in your firm's economic disadvantaged status, ownership or control. In the event that there are changes, please be advised that you are required to notify the MTA, within 30 days, of any changes in your business' ownership, control and/or operations including address, telephone number, business services and capabilities. Failure to adhere to these requirements may result in the removal of DBE certification.

Your firm will be included in the NYSUCP Directory (<https://nysucp.newnycontracts.com>) which will indicate the type of work that your firm has been certified to perform.
